## Activity Report

### Academic Year 2022 - 23

**Department: Economics**

**Name of the Activity: Excursion to Matheran**

**Day: Tuesday**

**Date: 27<sup>th</sup> September, 2022**

**Venue: Matheran**

#### **Purpose/Objective:**

Learning something by seeing it in person is far better than just learning from books. Also, practical learning stays longer in our mind. So, taking students to trips that will relate to their academics can help them learn things in a much better way. The aim of the Excursion was to represent various aspects of sustainable development of tourism with special emphasis on the attractive parts of the protected area, among which there are natural and anthropogenic tourist potentials which contribute to raising the level of awareness and knowledge of possibilities of sustainable development of tourism.

#### **Name and Designation of the Teacher In - Charge/Coordinator/Convener:**

Mrs. Shweta Dubey - Assistant Professor

Ms. Tabassum Shaikh - Assistant Professor

#### **No. of Student Participants:**

Total: 16

Male: 03

Female: 13

#### **No. of Teacher Participants/Involved:**

Total: 02

Male: Nil

Female: 02

**Outcome of the Activity:** This excursion helped the students to interact with what they are learning. The experience goes beyond reading about a concept, hence students were able to see and manipulate various aspects of sustainable development of tourism with special emphasis on the attractive parts of the protected area.

Dear Students,

As announced in the class, we are going to keep a PROJECT COMPETITION in August/September.

It is compulsory for all students to participate in this competition. SY/ TY students can use the same project as their third year project.

You need to create a PROJECT which can be any of the following-

- A website (using Asp.Net, PHP/MySQL, HTML/CSS or any other framework/language) e.g. our college website
- A web application (using above technology but with database and online transaction facility) e.g. online bookings/transactions/selling
- A mobile app (using Android Studio / Phone Gap /Flutter or any other development tool) e.g. mobile bookings/transactions/selling
- A game (using python/Unity3D or any other language or tools)
- A smart device or system (IoT device using sensors, actuators such as led,buzzer,motors, Arduino/Raspberry Pi/ESP8266/any microcontroller board and C++/Python programming) e.g. intrusion detection, fire alarm, smart wearable device
- A robot ( automated guided vehicle/ aerial robot)(using components as mentioned for smart device) e.g. obstacle avoidance system, line follower robot
- A desktop application (using Java/.Net or any language/framework) e.g. library/department/office records, attendance, stock etc
- A tool e.g. encryption/decryption tool

Students also need to submit a two page document describing their project having following:-

- Name of Student, Class, Roll No
- Name of the Project , Start Date, Completion Date

- Introduction (short description, aim of making this project, people who guided you)
- Hardware/Software used
- Description (detailed description)
- Future Enhancements (if any)
- Conclusion
- References/Bibliography

Sub: Invitation for judging "Intra-Collegiate Project Competition"

Respected Madam,

We cordially invite you as a judge for the "Intra-Collegiate Project Competition" on 10<sup>th</sup> December, 2022 at 11:00 a.m. in the Computer Science Lab. This competition is organized with the intention of inculcating innovative thinking and problem solving attitude among computer science and I.T. students and finally developing a useful technology product.

The students will be presenting projects on various technologies and domains. We are pleased to invite you for this event and would be extremely grateful if you grace this occasion and judge the event. Knowing your deep knowledge and expertise, we deeply believe your participation will be the major support for the success of this event.

We look forward to your gracious presence at the event.
