**Sub : Enhancing cooperation between Rizvi College of Arts & Science & Holy Family Hospital**

Respected Sir/Madam,

Rizvi College of Arts, Science and Commerce is one of the oldest and respected learning institutions in Mumbai. We belong to Rizvi Education Society that boasts of 27 educational institutions based out of Mumbai, Allahabad and Jaunpur. Over the years we have built a long association with the Holy Family Hospital and we are proud of our relationship with you. We would like to extend this further in a mutually beneficial manner. With a student population of over 7000 and their families, we have a substantial patient strength in the vicinity of Bandra. In this regard, to further our association, some of the areas of mutual benefit that come across are :

- Blood Donation drives which our students shall be happy to participate in.
- Camps can be conducted for health check-ups, screenings etc at our premises.
- Interactive training sessions for our staff and students in crucial help like providing CPR, who can then take this forward for saving lives in critical situations.

We shall be happy to provide all support necessary for Holy Family's initiatives on our premises and provide all necessary support for ensuring its success. We are also keen to know if you could start some of the initiatives that shall benefit our students such as :

- Access to Emergency services
- Doctor on call
- Provision of First Aid equipment and Training on basic first aid.
- Free medicines for the needy
- Free weekly medical consultation on campus for students.

We look forward to your feedback and shall be happy to engage in a discussion with your team as well as enter into an MOU to strengthen our relationship.

Your's Sincerely,
