**Talk on Islamic and Finance in India Investment (Botany)
Report**

Islamic Investments and Finance in India

Rizvi Education Society's Rizvi College of Arts, Science & Commerce, and Department of Botany had organized a talk on **"Talk on Islamic Investments and Finance in India"**.

The talk was organized in Biology Laboratory on Tuesday 31th January 2023 at 11.30 am. Resource Persons for the event were Dr. Mohammed Mukhtar Khan Assistant Professor, Department of Commerce from Rizvi College of Arts, Science & Commerce, Dr. Sheeba Assistant Professor in Department of Botany with small introduction welcome Resource person

He has more than 10 publication and 17 years experience. Evaluating the performance and prospects of Indian stock market (with special reference to shariah complaint stock). Dr Alkama Faqih, Head of Department of Botany felicitated speaker of the day Dr Muhammed Mukhtar Khan. 15 Male and 47 Female Students, 08 Faculty Members participated in this session. Vote of thanks given by Dr Shah Rehana .This can be attributed to the fact that many predominantly Islamic nations have seen an increase in financial wealth mainly due to a surge in exports and increasing oil prices. This increasing income is fuelling an increase in demand for new Islamic financial instruments along ethically-aware Shariah principles as an alternative to conventional commercial banking and investment products. **Total number of participant's presents is 62**

Lecture on SWAYAM Online Courses (Library)

Lecture on SWAYAM Online Courses 8th July 2022, (Teachers: 24, Students: 123)

A session on Swayam online courses was organised by Dr Rizvi Digital Library in collaboration with Departments of Computer Science and Information Technology on 8th July 2022 in Seminar Room at 11 am for Degree teachers and students. The purpose of this session was to promote online learning among our students and teachers and to make them aware of the courses offered by SWAYAM, a Government initiative. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy. The lecture was delivered by Mr. Haider Zaidi, professor of Computer Science department. Students were given information on Swayam courses and practically shown how to register for the course and it's various features. Mr. Javedkha Pathan showed how to access Swayam courses through mobile app. Our aim being to encourage our students to take advantage of the free courses offered by best teachers in India for their academic development. The total participants were 147.
