1. Introduction - Overview of the Institution

Rizvi College of Arts, Science and Commerce has completed 37 years of Academic Excellence spreading quality education and making a remarkable contribution in the field of Education as one of the most sought-after colleges in Mumbai city. The college has kept pace with the changing world and has been the pioneering spirit behind many innovations in the field of education thus acquiring a well-deserved reputation in academics, sports and co-curricular activities.

ABOUT THE COLLEGE

The Rizvi Education Society was established by Dr. AKHTAR HASAN RIZVI in the year 1982, who set his heart on the realization of a dream "the establishment of a mini university", catering to a variety of educational interests and aspirations.

Rizvi College of Arts, Science & Commerce was started in the academic year 1985-86. This was just the beginning of a line of successful ventures that were to follow. The amazing speed with which one professional institute followed another was awe-inspiring. Today, the Rizvi Educational Empire has expanded to unimaginable dimensions. As of now, we have twenty-two institutes in all, not only in Mumbai but in Jaunpur, Allahabad (Kaushambi, Karari) as well.

Senior College is affiliated to the University of Mumbai for teaching courses leading to B.A., B.Sc., B.Com. B.M.M., B.M.S, B.B.I., B.A.F., B.Sc. (Computer Science), B.Sc. (I.T.), and M.Com. Degrees.

Junior College is recognized by the Education Department, Govt. of Maharashtra and H.S.C. Board to conduct classes of F.Y.J.C. and S.Y.J.C along with vocational courses in Electronics, Computer Science and Information Technology.

College has a Research Centers affiliated to University of Mumbai with M.Sc. in Chemistry (By Research), Ph.D. in Zoology, Chemistry, Botany and Commerce.

Because of the college's comprehensive offerings, its excellent programs, its uniquely talented faculty, and its support services, Rizvi College enjoys one of the highest numbers of students in Bandra (West), Mumbai area.

Rizvi College provides extensive collegiate and co-curricular experiences for students, including such opportunities as student men's intercollegiate cricket team; performance groups; a Degree Program; and a host of activities in which students learn leadership skills, expand their academic horizons and celebrate cultural diversity.

As you move through the college website pages, you will also find information about the academic, administrative & extra-curricular activities of the college for e.g. Examination, Unfair Means Inquiry, Attendance, Cultural, Career & Counseling Cell, Library, Women Development Cell, Grievance Redressal Cell, Discipline, etc. Other services as Gymkhana, NSS, NCC, financial aid, health services just to name a few.

The college achieved permanent affiliation from the Mumbai University. The constant dynamics of globalization, technological revolution, knowledge explosion and fast-growing needs of industry, the purpose and scope of higher education has been redefined to include components of employability, research, innovation and social relevance, whereby 'academic flexibility' has come to be an integral part of the quality education.

It was something exciting and rewarding, long-awaited by all the stakeholders of the institution after tasting the success of accreditation by National Assessment Accreditation Council (NAAC) in 2004 with B Grade. The Quality enhancement & Sustenance of Rizvi College of Arts, Science and Commerce are envisaged through its Re-accreditation by NAAC in September 2011 with CGPA 2.84.

The college has engaged itself in the process of curriculum enrichment and enhancement through a wide range of academic programmes including certificate courses and research papers to make education more relevant and job-oriented. The college has completed three decades with a focus to march with academic excellence on one hand and to drive towards techno-savvy societal transformation on the other hand.
