

## DIGIFEST 2020-21

All through the world, life has changed through the pandemic, and for some it is worse than the rest. We and our students are no different. Like so many else we too have had our share of lows and losses. There was a need felt to bring in some cheer and light moments for our students – a time that they could just enjoy as children should, a little time free from worry, a little time where they could indulge in their hobbies, a little time that they could revel in their strengths. This global pandemic has taught us how adaptable we are as a human race. It was proved once again when the cultural committee of our college decided to organize a fest for the students. It was for the first time in the history of the Institution that a cultural fest was organized on a digital platform.

It was the brainchild of the convenor of our Cultural Committee Mrs. Swati Vora and the Principal Incharge Dr. Anjum Ara Ahmed to conduct a cultural fest for the students. Keeping in mind the Covid numbers and protocol to be followed, it wasn't possible to organize the annual intercollegiate cultural extravaganza, Jashn-e-Rizvi this year. So instead, the committee decided upon a fest comprising of various intra class competitions to be conducted on the online platform. The fest consisted of 15 events which covered various skill sets, old and new. While popular favourites like Solo Singing, Solo Dance, Personality Contest, Mehendi Designing were the first to be added, there were new competitions in line with the need of the hour like Guessology, Mobile Photography, PPT Contests and Shayarana. We had close to 200 participants in various events. The fest was spaced over two days – 27<sup>th</sup> and 28<sup>th</sup> of March 2021. An online inaugural function was held on the 27<sup>th</sup> where Mrs. Swati Vora welcomed everyone for the fest and Dr Anjum Ara Ahmed declared it open. Participation call had been floated much before, so students joined their respective competitions as per schedule, either to participate or to watch. The valedictory function was held on 30<sup>th</sup> March wherein winners for every event were announced.

This Fest would not have been possible without the support of the Management who has always had the students' best interest at heart. It was also the exemplary vision of our Principal Incharge Dr. Anjum Ara Ahmed and the Convenor of Cultural Committee Mrs. Swati Vora that conceptualized this event. Every member of the Cultural Committee worked hard and in tandem to ensure the success of the event. A special shout out goes to the technical incharge Mr Haider Zaidi and his team for ensuring a glitch free and flawless execution of the entire fest.
